Figure 1: Caption 1.

Figure 2: Caption 2.

1   Introduction

1.1   Topic A with equation

Example text, with an example citation **?** and an example equation.

$$h_{\langle t \rangle} = f(\mathbf{h}_{\langle t-1 \rangle}, x_t) \tag{1}$$

Another example text. See Equation (**??**).

1.2   Topic B with figure

The structure blabla can be seen in Figure **??**. Here are two figures in one minipage. Another sample text.
